

Cosmic_Retro_Station_Props_1 - FREE Demo

Build immersive sci-fi interiors with 8 hand-crafted low-poly station props—everything from openable crates and cabinets to utility consoles and seating. Optimized for performance, this pack is plug-and-play in Unity (URP default, also HDRP & Built-in).

Key Features

8 FBX models + 8 prefabs

1× 8×8 px texture (PNG) & 1 material

Optimized low triangle counts

Plug-and-play drag, drop, and go

Installation

Copy CosmicRetroComputersPack into Assets.

For URP (recommended) set the URP asset in Project Settings Graphics.

For HDRP / Built-in drag corresponding config files into Graphics Settings.

Open a demo scene in Demo_Scenes.

Drop any prefab from Prefabs into your scene.
